**FCM Travel Express** was founded by American entrepreneur and co-chair of the Travel and Tourism Committee at the American Chamber of Commerce, Timothy Hyland, in 1994, as one of the first companies in Poland specializing in corporate travel.

**FCM Travel Express** received IATA certification and since 2006 has been a Partner of **FCM Travel Solutions**, the 3rd world's largest global network of corporate travel agencies. Through this collaboration, we can serve clients in the realm of corporate travel management virtually anywhere in the world, leveraging optimal technological solutions available to our industry.

## Local Market

FCM Travel Express customizes business travel arrangements to suit the individual needs of each client, prioritizing personalized service over standardized procedures.

Our clients, of which we currently have over 700, primarily come from the IT, media, and FMCG industry. FCM Travel Express is among the top 5 TMC offices in Poland.

Our operational team consists of 35 people, with an average seniority at FCM Travel Express of 15 years. These are highly qualified professionals in customer service and operating systems.

## Industry

Tim Hyland, President of FCM Travel Express is a co-chair of the Travel and Tourism Committee at the American Chamber of Commerce. Since 2019, together with Marzena Kurpiel, Managing Director, they have been actively participating in meetings with the American and Canadian Chambers of Commerce, frequently lecturing on corporate travel management which include CEOs of the largest companies in Poland and Europe.

## Community

Each year, we sponsor vouchers for our client's charity events, Sopra Steria and the American School. These events primarily support children from low-income families. We have provided significant support to Ukrainian families.
